

Registering for WSHS Crew

Registering for the WSHS Crew Team through Ronin (roninracing.com) involves several steps. Please reference the steps below to assist with registering your rower.

1. Log onto roninracing.com (If it is your first time registering, click on the "Register Now" to set up an account)

The screenshot shows the Ronin Racing website homepage. At the top right, there are links for "Help & Support" and "Contact Us". The main navigation bar includes "Account Login" and "Register Now" buttons. Below this is a secondary menu with categories: Home, Races (Review Our Races), Rowing Programs (Sign-Up for a Program), Rowing Camps (Attend a Rowing Camp), Features & Benefits (Review Our Benefits), Pricing (Cost & Pricing), and Take A Tour (View Our Demo). The main content area features a large banner for "REGISTER FOR YOUR NEXT EVENT" with a "Register Today" button. Below the banner is a section titled "Access to Rowing...Simplified." which describes the registration solution. To the right is a "What's Being Talked About?" section with social media-style posts. At the bottom, there are three columns: "Customized Registration", "Event Management Tools", and "Customer Support Services", each with a "Learn More" link.

West Springfield Crew Booster Club Fundraising Commitment for School Year 2010-2011

Crew at West Springfield High School is a "club" sport. While the program is recognized by the school, it receives no funding from Fairfax County Public Schools. The West Springfield Crew Boosters Club (WSCBC) is the non-profit corporation chartered to fund and manage the team.

WSCBC organizes a variety of fundraising events to help rowers and their families meet annual support obligations to the Club. Rowers and their families may choose not to participate in fundraising and pay all of their obligations out-of-pocket. Each rower's fundraising revenues are kept track of separately and applied to that rower's individual obligations.

For returning rowers, a fundraising commitment of \$1090 is required for the year. \$500 of this fundraising is due by December 7, 2010, and the remaining \$590 is due by April 26, 2011. First year (Novice) rowers must raise \$740. \$300 of this is due by March 8, 2011; the remaining \$440 is due by April 26, 2011. Parents and/or other family members participating in fundraisers will receive credit for their designated rower.

Should a rower raise more than his or her 1st Fundraising Obligation by the due date, the excess will be applied to that rower's 2nd Fundraising Obligation. Should a rower raise more than the total of his or her 1st and 2nd Fundraising Obligations, the excess will be applied to that rower's costs for the Stotesbury Cup trip and the SRAA Nationals trip if applicable. Any shortfall in fundraising by a due date must be paid by cash or check by the due date to continue participation in the Club. Money earned through fundraising events may not be applied to Club Dues, Rowing Fees, or uniforms. Excess fundraising above all applicable obligations is retained by the Club and cannot be carried forward to a future year, nor refunded or paid to a rower. WSCBC is very appreciative of excess fundraising.

Participation status will be mailed periodically to all rowers or in between mailings upon request. A statement will be mailed prior to the December 7th deadline, so all returning rowers will know the status of their fall season fundraising credits. Questions regarding fundraising should be addressed to the VP for Ways and Means, through the team web site.

By checking the box, I acknowledge that I, the parent of a rower, person acknowledges that he/she understands the fundraising policy for the West Springfield Crew Booster Club and will abide by its requirements.

PARENT AND GUARDIAN AUTHORIZATION AND ACKNOWLEDGEMENT OF RISK (WATER-RELATED)

I hereby grant permission for my son or daughter to participate in West Springfield Crew Practice and Regatta Venues beginning 11/1/2010, and ending on 06/17/2011. I understand that participation in this field trip/activity is not required, that some water-related activity will be part of the trip, and that activity does expose my child to the risk of injury or death. I further understand that participation in West Springfield Crew will involve activities off school property; therefore neither the Fairfax County School Board, or its employees and volunteers will have any responsibility for the condition or use of any nonschool property.

By checking the box, I hereby grant permission for my son or daughter to participate in this field trip, including the water-related activities.
